Enter a descriptive name for LinkIT-RS232

Gasposa

Please choose control port:

(Built-In) ^

MC4-R: COM 1

OK Cancel

You will need to name the extension being added as well as select the appropriate RS232 port.

# Programmer Options

---

## Installer Options

 <b>License Key</b> Please go to <a href="https://cpllc.net/?product=epix-ceiling-stars">https://cpllc.net/?product=epix-ceiling-stars</a> to obtain the necessary license key. The extension will function 100% without...	<input type="text"/>
 <b>Channel 1 Motor Name</b> Channel 1 Motor Name. Leave blank if not being used.	<input type="text" value="CH01"/>
 <b>Channel 2 Motor Name</b> Channel 2 Motor Name. Leave blank if not being used.	<input type="text" value="CH02"/>
 <b>Channel 3 Motor Name</b> Channel 3 Motor Name. Leave blank if not being used.	<input type="text"/>
<b>Motors 4-20...</b>	
 <b>Channel 21 Motor Name</b> Channel 21 Motor Name. Leave blank if not being used.	<input type="text"/>
 <b>Channel 22 Motor Name</b> Channel 22 Motor Name. Leave blank if not being used.	<input type="text"/>
 <b>Channel 23 Motor Name</b> Channel 23 Motor Name. Leave blank if not being used.	<input type="text"/>
 <b>Channel 24 Motor Name</b> Channel 24 Motor Name. Leave blank if not being used.	<input type="text"/>

**License Key** – this extension requires a paid license which can be obtained <https://cpllc.net/?product=gaposa-linkit>.

**Channel 1 Motor Name** – a channel is defined if the channel has a name. Leave blank if the channel is not active.

**Channel 2 – 24 Motor Name** – as described above.

## Actions

**Add Motor** – add the selected channel name.

**Delete Motor** – delete the selected channel name.

**Close** – close the selected channel name.

**Open** – open the selected channel name.

**Stop** – stop the selected channel name.

**Save** – save the selected channel name's current position.

**Goto** – go to the selected channel names' saved position.

**Tilt Down** – tilt down the selected channel name.

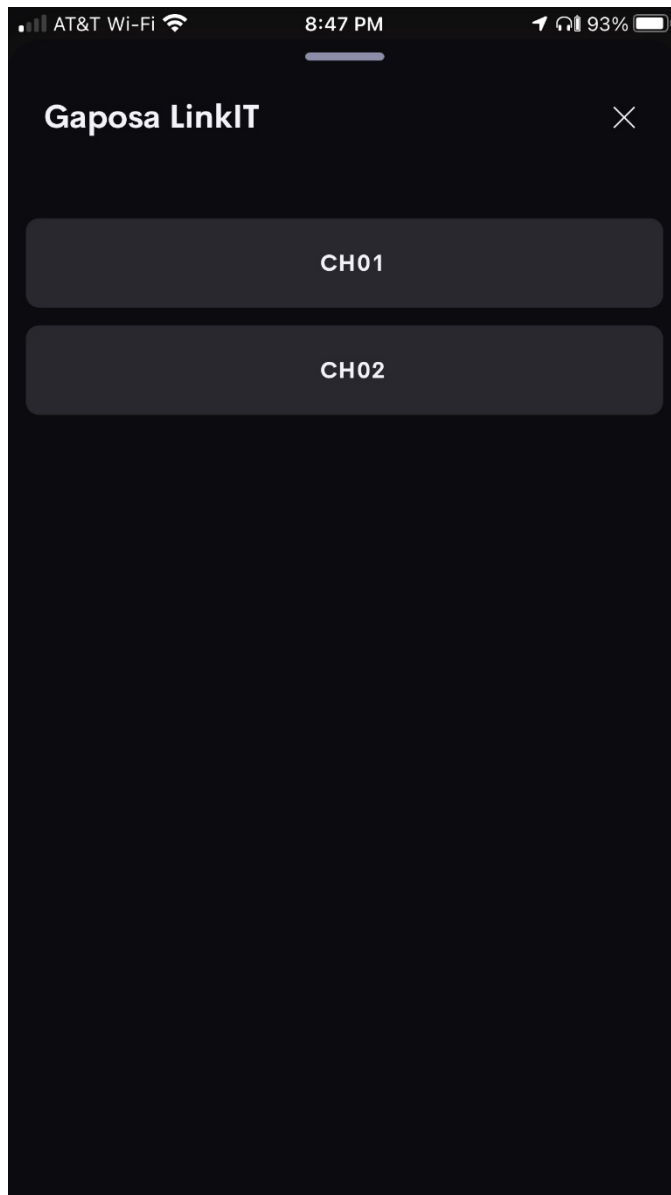

**Tilt Up** – tilt up the selected channel name.

## End-User Experience

---

After 2 hours, without the proper license key having been installed, a license expired notice will be displayed.

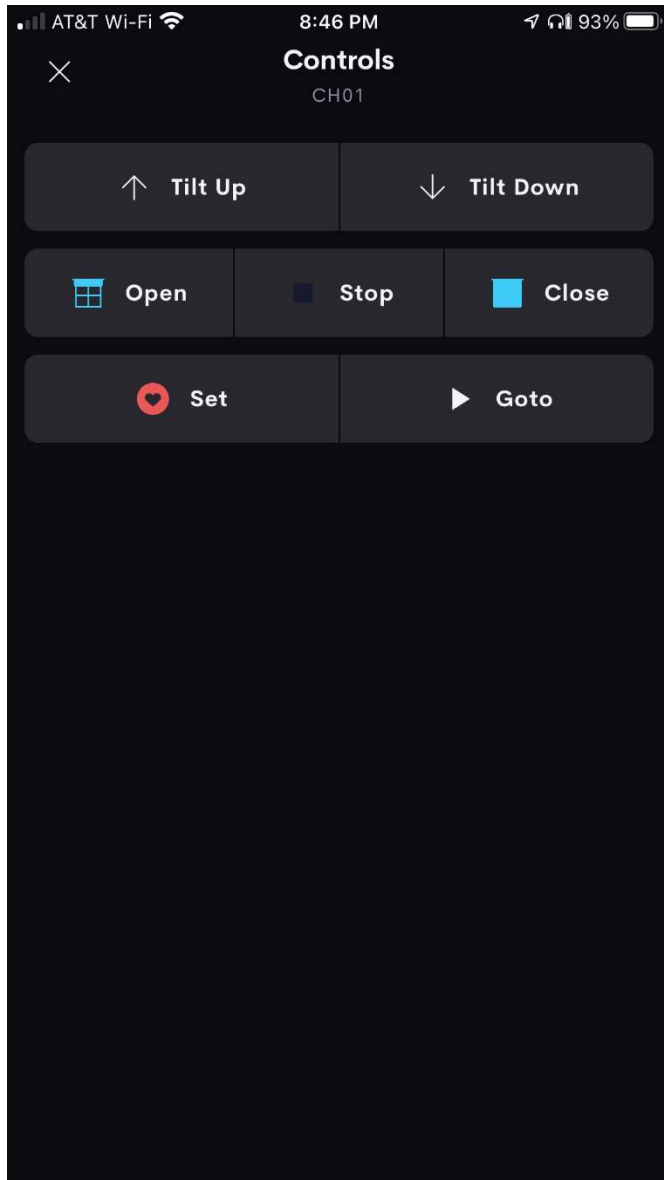

After the room tile has been clicked the list of defined channels are presented.

There can be up to 24 channels in each device.

Touching the selected channel name will bring up the controls screen described on the next page.

**Close** – close the selected channel name.

**Open** – open the selected channel.

**Stop** – stop the selected channel.

**Save** – save the selected channel current position.

**Goto** – go to the selected channel saved position.

**Tilt Down** – tilt down the selected channel.

**Tilt Up** – tilt up the selected channel.

## Limitations/Known Issues

---

No known issues
