## Release Notes

### Lighting – FX Luminaire - Luxor - TCP

version 4.00

## Extension

This release note is for the FX Luminaire Crestron Home extension. This extension provides native integration of FXLuminaire Groups and Themes of the FX Luminaire Luxor landscape lighting system. The FX Luminaire product page can be found at <https://www.fxl.com/>.

This extension is not intended to replace the Luxor mobile app for configuration purposes.

## Notes and Recommendations
